SOCIAL IMPACT FUND

An Initiative of ElevateHealth

Flexible Funding for Stronger Communities

One Pierce, Elevate Health's social impact loan fund, offers low-barrier, low-interest financing to improve health and wellness in Pierce County. Through an innovative partnership model, we are collectively building capacity for a wide variety of mission-driven organizations who have often been excluded from or have limited access to capital.

LOANS DESIGNED FOR COMMUNITY IMPACT

Bridge Loans

Secure short-term funding while awaiting committed funds.

Gap-Filling Loans

Address cash flow cyclicalities or fill funding gaps.

Facility Loans

Acquire, develop, or renovate facilities to increase impact.

Is your organization a good fit?

Eligible borrowers must meet all of the following requirements:

- A mission-driven organization focused on health and/or wellbeing.
- A minimum of three years of operation (except for bridge loans).
- Located or operating in Pierce County.
- Able to produce financial statements.

Recent funding committed to:

One Pierce in Action

\$16 million disbursed to Pierce County nonprofits since 2019.

70+ organizations approved for financing and funding.

40,000+ Pierce County residents were supported through One Pierce investments.
